OF TIMBER FLOORING

über-FLOOR

PREFACE

Welcome to our fine collection of antique floors meticulously crafted from reclaimed, salvaged and recycled Oak, Walnut and Teak.

Our stunning parquetry panels are shaped by hand, with every piece carefully selected and sculpted to create timber floors of exquisite beauty.

Your own personalised patterns, designs and creations can also be customised with our unique Bespoke service.

Our use of recycled wood is paired with our finishes which use VOC-free natural oils that not only care for the floor but also your living environment.

We hope you enjoy our Antique collection.
