- 2.2m long, with 1 split board per carton
- Widths available 148mm, 190mm, 220mm, 240mm & 260mm

Character Grade

Produced from high quality European oak , with an interesting mixture of quarter, plane and rift sawn boards, which contain a mixture of natural oak colours and knots of various sizes including cat's paw knot clusters. We only use colour matched natural sawdust filler where required.

Prime Grade

For those seeking a clear grade, we recommend 'Prime', effectively free of all defects other than very occasional sound pin knots.

The Collection

Brushed & Oiled
Character Grade Oak

übertrading ltd

*Brushing sculpts the fibre of the wood to enhance the natural grain of the Oak.
Natural oil brings additional warmth to the floor, with a matt finish.*

UV Lacquered
Character Grade Oak

übertrading ltd

- Finished with 7 coats of 'Treffert' brand acrylic lacquer
- Hard wearing, practical and easy to clean

www.uber.com.hk

The image shows a light-colored wooden floor with a subtle grain pattern. In the upper right corner, a portion of a lavender armchair with white piping and dark legs is visible. The chair has a cushion with a floral pattern. The background wall is a neutral tone with a white baseboard and a power outlet.

The Collection

**'Unfinished Look'
Lacquer**

übertrading ltd

Increasingly fashionable is the muted traditional appeal of Oak, but with the hardwearing attraction of a UV Lacquered finish. The above picture showcases the aesthetic of Prime Grade Oak.

Wonderfully versatile, Oak can be transformed in to many different colours and tones to set off a range of interiors. Our colour palette consists of eight enduring and popular finishes ;

Carbonised

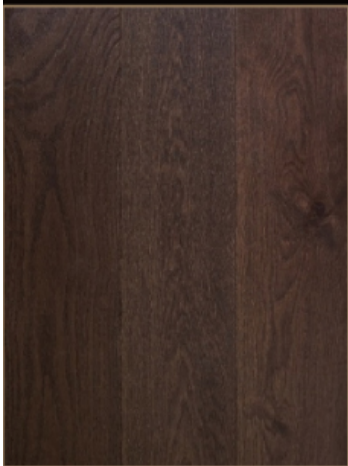

Ivory

French Grey

Chestnut

Chocolate

Sienna

Livorno

Oyster

Please contact us to discuss replicating your favourite finishes. Our finishing experts like nothing more than the alchemy of working on new finishes. Adept at various smoked finishes and chemical treatments, we look forward to producing new products especially for you.

The Collection

**Create your
own Colours**

Some of our customers stock a range of our textured unfinished boards which they can pre-finish on site to achieve special bespoke finishes for their clients.
